SIXTY-FIVE KILLED.

Terrible Tornado in Missouri
and Nebraska.

At Kirksville the Number of Known
Dead Numbers Fifty, With
Many Missing.

Kirksville, Mo., April 28.—As a
result of the tornado that swept
through the eastern portion of this
city yesterday evening, demolishing
half of the residences and other
buildings, 200 families are home-
less and nearly 50 dead bodies and
70 injured persons have been re-
covered from the ruins. More than
a dozen of the injured will die.

Although rescuers have been
searching the ruins ever since the
storm spent its fury, many are still
missing, and it is thought that a
considerable number of the unfor-
tunates were consumed in the
flames that broke out soon after the
storm had ceased. The work of
rescue continues but it may be
days before the total number of vic-
tims is known.

Originated in Nebraska.

St. Louis, April 28.—According
to the best information the storm
which caused so much loss of life
and destruction of property in
Northern Missouri originated in
Nebraska. Its course was south-
west through Western Iowa to the
Missouri State line, thence through
Harrison, Grundy, Sullivan, Linn,
Macon, Shelby and Marion, north
and west through Lewis, Knox,
Adair, Sullivan and Putnam coun-
ties. When the storm retraced its
course it was almost parallel with
the other track traversed, and it
was then that Kirksville and New-
town were struck. As far as known
Kirksville, Newtown and Lancas-
ter, Mo., are the only towns that
felt the full force of the storm.

Desolate Scenes.

Chillicothe, Mo., April 28.—Scenes
of utter distress and desolation
were pictured to-day in the little
tornado-swept burg of Newtown,
forty miles north of the St. Paul
Railway. A day of ceaseless search
among the ruins and work for the
injured and suffering followed a
night of gloom and despair. Fifty
families are homeless; there are
about 15 dead and over 50 injured,
while half of the place is in ruins.
A complete list of casualties will
not be known for several days.

Howling Blizzard.

Deadwood, S. D., April 28.—A
howling blizzard has been raging
all through the Black Hills for the
past twelve hours. Six inches of
snow has fallen here, and reports
from farther north state that the
fall is heavier than in this immedi-
ate vicinity. All farm work is
suspended.

rimony Severed.

tiff alleges that defendant, failed to
provide for her support and that

in October 1880 and lived together
nine years.

known young people of near Crof-
ton, was solemnized at the bride's

in the presence of a limited number
of the friends and relatives of the
contracting parties. Justice of the
Peace H. C. Helsley tied the nup-
tial knot.

CONTINUE TO FIGHT.

Conference With Philippine In-
surgents Ended.

But Will Fight Till They Die for
the Principles They are Fight-
ing in the Philippines.

Manila, April 29, 3 p. m.—The
conference between Gen. Otis and
the Philippine insurgent leaders
has just come to an end and result-
ed in a wide disagreement, the
leaders withdrawing and refusing
to accept the terms offered by Otis.
They admit they are beaten, but
say they will die fighting for their
rights, as they understand them.

It is reported that the insurgents
at Baleu are holding the prisoners
taken from the Yorktown's crew in
captivity, hoping to get good terms
for releasing them.

BRAKEMAN HURT.

Glove Caught on Car—Man
Dragged Some Distance.

George Curran, an L. & N. freight
brakeman, fell from the cars while
switching in the yards here Fri-
day, sustaining some bad bruises
and cuts which may lay him up for
some time. The gauntlet of his
glove hung on a car while the train
was in motion and he was dragged
some distance before he could get
loose from his perilous position. A
large hole was cut in one of his
knees and he was otherwise bruised,
scratched and cut. His wounds
were at once attended to and he
was taken to his home in Nashville.

lie Lee, young people of the Bain-
bridge country, were united in
marriage at 4 o'clock p. m. Sunday.
Only a few friends and relatives of
the couple witnessed the ceremony,
which was pronounced by Rev. N.
C. Lamb, of the Baptist church.

Three Days Illness.

Mr. I. Brooks Boyd, died of spinal
meningitis Saturday night at his
home near Barker's Mill. He was
taken sick with the disease the
Wednesday evening before. The

brew grave yard, near Peacher
Mills, Sunday.

A BOY'S PRANK

That Came Very Near To Causing
Serious Damage.

A mischievous small boy, son of
a citizen of the Kennedy neighbor-
hood, placed a rail on the track of
the L. & N. railroad, in a curve
near Kennedy Saturday, that came
near causing a wreck. It was dis-
covered by the pay train that ran
just ahead of the passenger train.
The boy is known, but has not
been arrested.

DISCHARGED.

Sommers Jury Fail to Reach A
Verdict.

Four of the Twelve Jurors Stood
Ont to the Last for Ac-
quittal.

Frankfort, Ky., April 29.—At 9:30
the jury in the Sommers indictment
case was again sent to the jury
room. The same anxious crowd
was on hand, but it seemed a fore-
gone conclusion that a verdict would
not be reached.

After sitting again this morning
and failing to find a verdict, the
jury was discharged by the court.
The jury stood eight for con-
viction and for four acquittal.

It will be remembered that Som-
mers was accused by delegate Gar-
nett Graves of paying him \$400 for
the proxy of Taylor county in the
commissioner convention, held here
April 6.

Bad Fire at Murray.

Murray, Ky., April 29.—The
Mills livery stable, in the heart of
the business portion of the town,
burned last night, and a disastrous
conflagration was prevented only
by heroic work. Two fine horses
and a number of vehicles were
burned. Small insurance.

LULL IN FIGHTING.

Waiting For the Natives To Ac-
cept Peace Terms.

Our Brave Soldiers Have no Heart
in the Slaughter of Those
Who Want Freedom.

Manila, May 1.—While it is the
general expectation among the Amer-
icans that the Filipino emissaries
will return with revised proposals
from Gen. Antonio Luna, Major-
Gen. Otis is not letting this pros-
pect interfere with his preparations
for pushing the war. Saturday he
ordered Major-Gen. Lawton to re-
turn to Angat, a few miles north-
west of Norzagary and not to ad-
vance aggressively while the nego-
tiations are pending. Gen. Mac-
Arthur is apparently acting on the
same policy, but he is repairing
bridges and strengthening the
lines of his force, which is stretched
out with a four-mile front and with-
in a quarter of a mile of the enemy.

The possibilities of peace are
gratifying to a great majority of
the army who have regarded the
war as an unpleasant duty that
must be performed according to
American traditions.

Yesterday was County Court day
and there was a large crowd in
town. Some stock was sold, but
prices were low.
